Prepared By: M. Koh	Meeting Date: October 3, 2022	

Staff recommends that the Yolo County Transportation District (YCTD) Citizens Advisory Committee (CAC) review and approve the meeting minutes from their July 19, 2022, meeting.

REASON FOR RECOMMENDATION:

The YCTD Bylaws require minutes of each CAC meeting be recorded. The CAC shall review and approve minutes of each meeting.

MEETING MINUTES:

Meeting Date: July 19, 2022

1. Call to order/Roll Call

Chair Baker announced that at 6:06pm, the committee did not have quorum and only informational items would be discussed until quorum of the committee is reached. She also announced that Executive Director Bernstein would not be in attendance due to a family emergency, and due to Ms. Bernstein's absence, the item on Board engagement will be tabled until the next committee meeting.

Quorum was achieved at 6:50 p.m.

YCTD staff in attendance were Mimi Koh, Executive Assistant and Clerk to the Board, Assistant Planner Daisy Romero and Senior Planners Brian Abbanat and Kristen Mazur.

2. Comments from the Public.

Chair Baker asked for public comments for matters not on the agenda; there were no public comments.

3. Approval of the May 31, 2022, Minutes

Chair Baker asked for approval of the May 31, 2022, meeting minutes.

Mr. Woods made the motion to approve the May 31, 2022 meeting minutes seconded by Mr. Furrillo.

The motion passed unanimously.

4. Administrative Reports

Ms. Koh presented on the long-range calendar. Chair Baker asked that we include the topic of improvements to paratransit. She also asked that we bring back the long-range calendar when more members are present to provide additional feedback.

Mr. Furillo noted that since we are tabling the topic of board engagement at the July meeting, we should add it to September's topic in the long-range calendar.

Mr. Guild noted that he did not have any comments on the long-range calendar at this time.

5. Chair, Vice-Chair Elections and Rotation

Ms. Koh provided an overview of the staff report.

The committee discussed the election for the Chair and Vice-Chair to occur in January, and to align the Chair and Vice-Chair rotation with that of the YCTD Board of Directors.

Chair Baker asked if there were any public comments

Mr. Furillo made the motion for the election of the Chair and Vice-Chair to occur in January 2023 and to align the Chair and Vice-Chair rotation with the YCTD Board of Directors, seconded by Mr. Guild.

The motion passed unanimously.

6. Board Engagement

As previously noted, the topic of board engagement was tabled due to the absence of Ms. Bernstein.

7. Yolo Active Transportation Corridors (YATC) Update

Item 8 is a non-action item and for informational purposes only. This item is intended to gather the committee's input.

Mr. Abbanat provided an overview of the staff report.

Mr. Furillo asked a clarifying question as TAC was mentioned to be part of the review and selection process. He asked if it was the YCTD TAC or another committee. Mr. Abbanat responded that this TAC committee would be different from the YCTD TAC but will include some of the same members and provided a list of possible members on the project.

Mr. Furillo and provided comments and suggestions on the active transportation corridor and biking around the county as he talked about his experience biking in Solano County as potential components of the network.

Mr. Guild welcomed Brian to YCTD and to TAC. He provided comments of safety, training drivers, outreach, and education, and providing outreach with language competencies in mind while these plans are being made. Mr. Abbanat provided a response.

Chair Baker noted that Committee member Mollie D'Agostino was unable to attend but that she emailed in some comments which Chair Baker read out loud. Mr. Abbanat provided a response to Ms. D'Agostino's written comments.

Chair Baker provided comments regarding other conservancy and other recreational areas to include and consider. She also provided comments on marginalized areas and access points as an interrelated whole, road safety, way finding for bikers while on trails, and climate change. Mr. Guild and Mr. Furillo commented that they agreed with Chair Baker regarding way finding and signage as it relates to safety. In addition, Mr. Furillo and Chair Baker provide additional comments regarding agriculture as it relates to safety for bikers and being respectful to farmers so both parties can thrive.

8. Microtransit Vehicles Update

Item 9 is a non-action item and for informational purposes only. This item is intended to gather the committee's input.

Ms. Mazur provided an overview of the staff report.

Mr. Furillo thanked Ms. Mazur on the presentation noting that he served on the evaluation committee and wanted to express his excitement of the technology platform, and provided additional comments on the algorithm, vehicle, and labor challenges.

Mr. Guild also thanked Ms. Mazur for all the hard work and asked for clarification on response time for those in need of accommodation. Ms. Mazur provided comments.

Mr. Woods asked about the integration of the mainline bus service. Ms. Mazur provided a response.

Chair Baker commented that she applauded the work and provided comments of cost efficiency, access to product, uniformed fleet look and working around other private ventures.

9. Adjournment

Chair Baker stated that the committee report section was omitted and asked the committee for any comments.

Mr. Woods welcomed Mr. Abbanat to YCTD.

Mr. Furillo commented on the upcoming Unitrans meeting.

Mr. Guild commented on the committees he no longer participates in due to a career change.

There being no further business, Chair Baker adjourned the meeting at 7:17 in memory of Ms. Bernstein's grandmother.

Respectfully submitted,

Mimi Koh Executive Assistant and Clerk to the Board

Topic: YCTD Strategic Planning: Vision, Values and Priorities	Agenda Item#:	6 Deliberation/Action
		\sim
	Agenda Type:	Attachments: Yes No
Prepared By: A.Bernstein		Meeting Date: October 3, 2022

Provide feedback on the current Vision, Values and Priorities statement to inform upcoming Board discussions on strategic planning and work planning.

BACKGROUND:

The YCTD Board of Directors adopted a statement of Vision, Values and Priorities in January 2020. This statement is intended to guide Board decision making. It was originally intended to be a first step in a broader strategic planning effort, but that process was never realized due to the pandemic and other issues.

During the FY 22/23 Budget development process, the need for strategic planning re-emerged in Board and staff discussions. At the June 2022 Board Meeting, the staff report for agenda item #5 ('YCTD FY 2022-23 Budget Public Hearing and Action', page 22 of Board packet) included a section on long-term financial planning – including a recommendation to:

'Engage the Board, advisory committees and stakeholders in a strategic planning process to articulate a set of long-term goals for the District's broader multimodal mandate, and a strategic plan to achieve those goals. The plan will then form the basis for future workplans and budgets.'

The staff report went on to suggest inclusion of a strategic planning effort in the workplan for the coming year. Staff is currently in the early stages of updating the annual workplan, which was adopted by the YCTD Board in October 2022. The updated workplan will include a strategic planning process, which is tentatively planned to get underway in early 2023, when the new YCTD Board is seated.

As an early first step toward strategic planning – and to inform the workplan update – staff is proposing to revisit the current Vision, Values and Priorities statement this fall. The first step in this process is asking the Citizens Advisory Committee and Technical Advisory Committee to review the current statement and provide input and feedback.

Input from the CAC and TAC will be shared with the Board for their discussion and consideration at the October 2022 YCTD Board of Directors meeting. This input will also be used to help shape the annual workplan update, a draft of which will be presented to the Board of Directors at their November 2022 meeting.

Discussion Questions for Vision, Values and Priorities:

• What <u>external</u> forces are driving change at YCTD (eg COVID pandemic, changing commute patterns, technology etc), and how should our Vision, Values and Priorities change to reflect these?

- What <u>internal</u> forces are driving change at YCTD (eg staff and Board turnover, new projects and priorities) and how should our Vision, Values and Priorities change to reflect these?
- What is missing from the existing Vision, Values and Priorities? Conversely, what if anything is no longer useful?
- How should the Vision, Values and Priorities be used to guide the work of the Board, committees and staff?

Revised 1/13/20

Topic: Continue Discussion of Opportunities for CAC Engagement with YCTD Board of Directors	Agenda Item#:	7 Deliberation/Action
	Agenda Type:	Attachments: Yes No
Prepared By: A. Bernstein		Meeting Date: October 3, 2022

Staff recommends that the Citizens Advisory Committee (CAC) suggest the following options to the YCTD Board of Directors for increasing engagement and communication between the CAC and Board:

- 1. Provide an annual report to the Board of Directors identifying the CAC's recommended priorities for the coming year. *ideally this should be timed to inform the workplanning process*
- 2. Designate a CAC member to attend Board meetings as needed and share the CAC's feedback on specific agenda items. This could be a rotating/shared responsibility. CAC members could be given priority and additional time to speak, at the Board chair's discretion.
- 3. For important agenda items, the CAC could prepare its own written report or letter to accompany the staff report. This CAC report would be included in the Board packet at the time of distribution.
- 4. Minutes from CAC meeting should always be included in the subsequent Board packet.
- 5. Maintain long-range calendars for both the Board and CAC to ensure that agenda items are sequenced to allow CAC input whenever possible.
- 6. CAC members appointed by a YCTD Director could establish regular or as-needed, one-on-one communications with the Director who appointed them.
- 7. Hold one joint meeting of the Board and CAC annually. Potential topics may include workplan and budget; learning sessions with guest speakers and outside experts; forums to hear directly from Yolobus riders; kickoff meetings for major planning efforts.
- 8. Invite Board and CAC members to do ride alongs or jointly attend rider forums, to experience the service and hear from riders firsthand.

BACKGROUND:

The Citizens Advisory Committee had raised concerns about the lack of direct communication between the CAC and Board of Directors. The Committee subsequently discussed options for increasing engagement and communication with the Board of Directors.

Current coordination practices include:

• When the Board agenda includes an item that was previously discussed by the CAC, the staff report includes a summary of CAC comments and feedback, and any modifications to staff's recommendation based on the CAC's guidance.

- CAC meeting minutes are now included in the subsequent Board packet.
- CAC members are always invited to attend Board meetings and provide comments on specific agenda items or during the general public comment period.
- Recently, staff prepared a draft long-range calendar for the CAC to improve agenda coordination between the CAC and Board.

Staff brainstormed the following options for increasing communication between the CAC and Board, and shared them with the CAC at the last two meetings:

- Provide an annual report to the Board of Directors identifying the CAC's recommended priorities for the coming year.
- Designate a CAC member to attend Board meetings as needed and share the CAC's feedback on specific agenda items (could be a rotating/shared responsibility). CAC members could be given priority and additional time to speak, at the Board chair's discretion.
- For important agenda items, the CAC could prepare its own written report or letter to accompany the staff report. This CAC report would be included in the Board packet at the time of distribution.
- Minutes from CAC meeting should always be included in the subsequent Board packet.
- CAC members appointed by a YCTD Director could establish regular or as-needed, one-on-one communications with the Director who appointed them.

Summary of Discussion at Recent CAC Meetings

At recent meetings, the CAC members were generally supportive of the ideas put forth by staff. Some additional ideas that were suggested by CAC members include:

- Hold occasional joint meetings of the CAC and Board of Directors, for example when a big project or planning process is kicking off
- Hold joint learning sessions where the Board and CAC can both hear from and ask questions of guest speakers, outside experts, etc.
- Invite Board and CAC members to do ride alongs, experience the service and hear from riders firsthand.
- Invite Board members to attend CAC meetings
- Have one CAC member serve as an Ex-Officio, non-voting member of the YCTD Board
- Ask Board members to meet with CAC members from their District.
- Have more frequent CAC meetings so that CAC schedule consistently aligns with Board meeting schedule.

The CAC did not vote or make any decision regarding either staff's suggestions or the additional ideas suggested by CAC members. As such, staff decided to put forward a recommendation that combines our original suggestions, along with some of the additional ideas suggested by the CAC.

Staff Recommendation

Staff suggests the following strategies may be well-received by the Board and would help improve coordination and communication.

- 1. Provide an annual report to the Board of Directors identifying the CAC's recommended priorities for the coming year. *ideally this should be timed to inform the workplanning process*
- 2. Designate a CAC member to attend Board meetings as needed and share the CAC's feedback on specific agenda items. This could be a rotating/shared responsibility. CAC members could be given priority and additional time to speak, at the Board chair's discretion.

- 3. For important agenda items, the CAC could prepare its own written report or letter to accompany the staff report. This CAC report would be included in the Board packet at the time of distribution.
- 4. Minutes from CAC meeting should always be included in the subsequent Board packet.
- 5. Maintain long-range calendars for both the Board and CAC to ensure that agenda items are sequenced to allow CAC input whenever possible.
- 6. CAC members appointed by a YCTD Director could establish regular or as-needed, one-on-one communications with the Director who appointed them.
- 7. Hold one joint meeting of the Board and CAC annually. Potential topics may include workplan and budget; learning sessions with guest speakers and outside experts; forums to hear directly from Yolobus riders; kickoff meetings for major planning efforts.
- 8. Invite Board and CAC members to do ride alongs or jointly attend rider forums, to experience the service and hear from riders firsthand.

Topic: Update on Service Changes (Route 42, Bikes on Buses)	Agenda Item#:	8
		Informational
	Agenda Type:	Attachments: Yes No
Prepared By: A.Bernstein, E.Reitz		Meeting Date: October 3, 2022

Receive an update on upcoming changes to the Route 42A/B schedule, route and stop locations.

BACKGROUND:

Yolo County Transportation District (YCTD) is preparing to implement the YoloGo recommendation of increasing service frequencies on the Route 42A/B and streamlining the route in Davis and downtown Sacramento. These service changes were originally intended to take effect in September 2021 but were indefinitely postponed due to a shortage of available bus operators. The launch date for this service change is September 19, 2022.

Due to ongoing challenges with recruiting bus operators, we do not have sufficient staffing to launch the full YoloGo 42A/B schedule, which envisions 30 minute headways in the AM and PM peak, and 45-minute headways in the midday. However, we are able to implement the 30-minute headways in the morning, 45-minute headways in the midday and variable headways in the PM peak. In all cases, the new headways will meet or exceed the current 1-hour headways. As additional operator resources become available, we will add additional trips back in until we are able to achieve the full 30-minute headways in the PM peak.

While this is not ideal, the service change represents a marked improvement over the current schedule. In addition to shorter wait times between trips, this new schedule also adjusts the overall run time to better reflect the current traffic realities, leading to better reliability and on-time performance for our riders. Additionally, the service change will streamline the route in Davis and downtown Sacramento to eliminate underutilized stops and speed up intercity trips.

As noted at the May 31, 2022 CAC meeting, staff had hoped to make some minor changes to the schedule and route in order to address the concern about long layovers at the County Fair Mall in Woodland. We contracted with Arup USA Inc to take a look at the schedule and recommend changes. Arup has now completed their preliminary review. However, the magnitude of changes needed to address these concerns are substantial, and would need thorough vetting with affected riders and communities. As a result, we have decided to move ahead with the schedule that was approved by the Board in March 2021, and roll the Arup recommendations forward into a future planning effort.

The new schedule, map of service changes and informational flyer are attached to this agenda item.
